

DEFENSIVE GBP PORTFOLIO

30 JUNE 2021

OBJECTIVE

This active Premier portfolio comprises of a wide range of diversified investment vehicles including unit trusts, mutual funds and exchange traded funds (ETFs), whose managers aim to outperform their respective markets. Asset classes you could find in this portfolio are equities, government bonds, corporate bonds, alternatives, commodities and cash. Absolute return, multi-asset and property may all feature within the alternatives classification.

Premier Defensive seeks to generate modest returns higher than cash in the bank over the medium term with potential for consistent though constrained capital growth. The portfolio has a more defensive approach to equity exposure compared to Premier Cautious - typically comprising of 15% equity and 85% non-equity - though weightings may deviate within set parameters, allowing our managers to react to market conditions.
